

# Volunteer to help in your own backyard?

Kaipatiki Local Parks and Reserves are your backyard! They are great places to play, walk, run, relax, or just get outside but like anything, they need people like you to help keep them maintained. When you "Get Involved as a park volunteer" in your area, you will join other like minded people who share a love of public lands and giving back.

Here in Kaipatiki we have the Kaipatiki Restoration Network, and it is through this network of keen volunteers that you can find the support and guidance you may need in either setting up your own neighbourhood volunteer group, or to join an existing one.
